

Certificate

Indoor Air Comfort Gold

NOX LOT EVERECO+

Certified Product

NOX Corporation, Seoul, Korea

Applicant

The product complies with Indoor Air Comfort Gold requirements for product type, version 6.0 (2017). These include both inspections of factory production according to DIN 18200 and VOC testing according to CEN/TS 16516 and the ISO 16000 series, each in the latest versions, by an ISO 17025 accredited laboratory, at regular interval.

Indoor Air Comfort Gold certification ensures that low product emission requirements are fulfilled and is a sign of the applicant's focus on quality and contribution to a healthy indoor environment.

Details are defined in Indoor Air Comfort Gold requirements, version 6.0 (2017).

Certificate No.: IACG-72-02-02-2019

Date: 07 April 2019

Validity of certificate: 07 April 2024, with frequent surveillance and retesting.
